|-------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|

There were 50,893 total job postings for your selection from August 2025 to July 2026, of which 24,715 were unique. These numbers give us a Posting Intensity of 2-to-1, meaning that for every 2 postings there is 1 unique job posting.

This is close to the Posting Intensity for all other occupations and companies in the region (2-to-1), indicating that they are putting average effort toward hiring for this position.

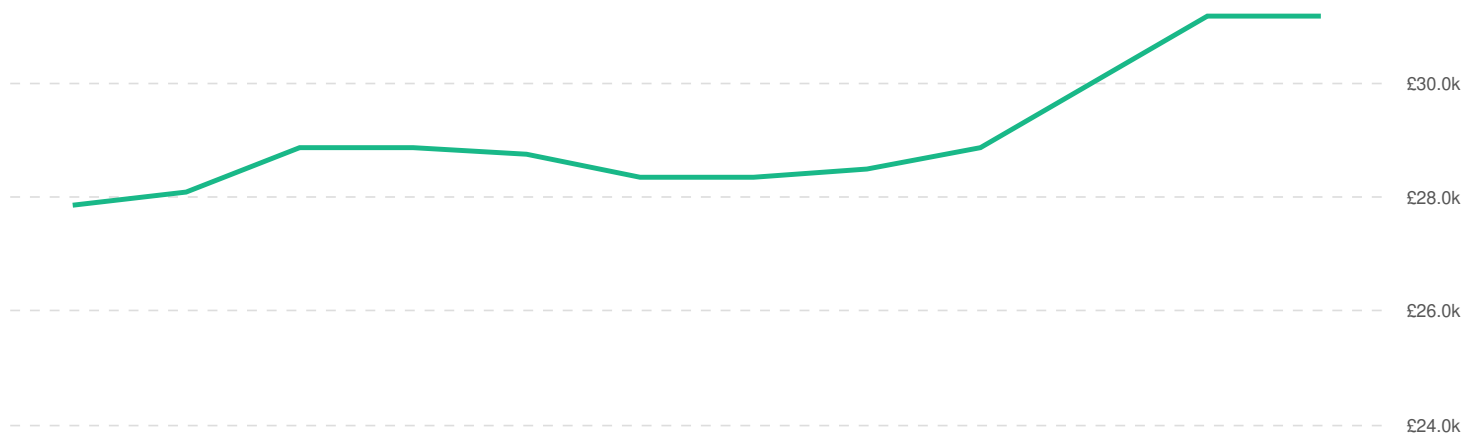

## Advertised Salary

There are 11,265 advertised salary observations (46% of the 24,715 matching postings).
