Location: Warrington	Company: United Living Group
Job Title: Plant Administrators	
<p>Company Description Interested in this role You can find all the relevant information in the description below. United Living Energy design, build, and maintain critical national infrastructure on behalf of UK energy transmission and distribution network owners, ensuring continued resilience of our energy system. This is key to meeting the current and future needs of residential, commercial, and industrial energy customers. With a key focus on decarbonisation, we're here to support our clients with the transition to net zero. Our expertise lies in our ability to efficiently manage and deliver complex energy infrastructure projects. We excel in coordinating with project delivery partners and our integrated supply chains, ensuring we always deliver to tight programmes and exacting quality standards, as well as achieving industry-leading health, safety, and environmental performance. We pride ourselves on going the extra mile to ensure project success. Our flexible and efficient approach allows us to adapt to any adjustments throughout the project lifecycle. Recognising the impact construction activities can have on local communities, we are dedicated to minimising disruption, ensuring that we deliver long-lasting, positive social and economic benefits in the regions where we operate. Looking to the future, we are dedicated to maintaining our position as a trusted delivery partner in the energy sector. Job Description We are looking to recruit a Plant & Transport Admin Assistant to join our team, previous experience in the construction, plant hire or utilities industry would be an advantage. In this role you will be working for United Living Energy part of the United Living Group, a leading asset maintenance company, operating in the UK support services and infrastructure sectors. United Living Energy are predominantly involved in Gas Sector constructing pipeline diversions, maintenance and refurbishment of existing gas assets for National Gas, Cadent and SGN (among others), throughout the UK. You will mainly be performing various administrative duties such as placing orders, filling and using various software platforms to run reports and achieve compliance with our existing procedures. The ideal candidate must be able to work as part of a team in a busy environment, have excellent communication skills and telephone manner. Must be flexible and highly motivated.</p> <p>Location:</p> <p>You will be based at our Golborne Office near Warrington. Full time position - 08:00 to 17:00 Monday to Friday (40 Hours) Part Time remote working is available upon request. The successful candidate will be required to as soon as possible. Qualifications Previous experience in the Plant, Logistics, Utilities or Construction preferred but not essential. Good communication skills, both written and verbal. Must be proficient in Microsoft Office including Excel,Outlook and Word. Effective administration, planning and organisation skills with strong attention to detail and accuracy. Experience of Business Central software preferred but not essential.</p>
