Skills Bootcamp in Hospitality

3 week course starting early June 2026

Gain employer-ready skills in this practical Skills Bootcamp which includes Level 3 Food Hygiene, Food Allergens and a qualification in Hospitality and Catering Principles. Alongside industry-recognised training, you'll build essential employability skills such as CV writing and interview preparation.

Successful learners will have a **guaranteed interview** for a Catering/Facilities role at the NHS Countess of Chester Hospital, supporting patient, staff and visitor food services in a healthcare setting.
