## The Opportunity (General)

"Skills Bootcamps are free, flexible courses of up to 16 weeks, giving people the opportunity to build up sector-specific skills and fast-track to an interview with a local employer."

Cheshire & Warrington have been awarded **~£1m from DfE** to fund **15 Skills Bootcamps** as part of the Wave 3 scheme this financial year, with the expectation that funding will be available for the next 2 financial years.

Our aim is to **train over 260 people** from the Cheshire and Warrington area by March 2023 on the Skills Bootcamp programme.

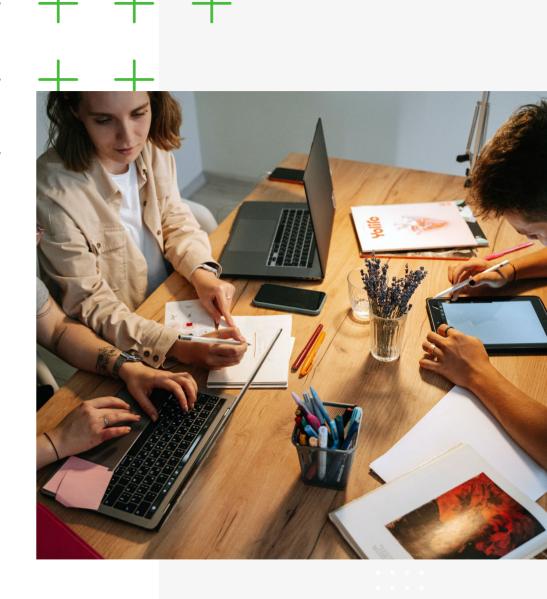

We expect for **80% of all learners who start a bootcamp to complete it**, and **100% of those to get a "successful outcome" within 6 months** of completing the Skills Bootcamp.

This is therefore not a traditional training course as the focus is on getting the learners into jobs.

Skills Bootcamps (education.gov.uk)

## Approach

- Employer Focused. Employer engagement can include:
  - the development and delivery of bootcamps
  - clearly identified guaranteed interviews for job vacancies for specific roles
  - involvement in screening potential learners
  - coaching and mentoring
  - offering work experience
- Training Providers
  - Flexible approach
  - Accredited or non-accredited training acceptable (dependent on needs of specific bootcamp and associated employers)
  - Offer value for money
  - Delivery of level 3 or above, unless specified (Construction, Logistics, Green Skills are permitted at Level 2).

#### **New Grant Process**

We have therefore looked to update our grant award process to maximise our chances of success for the remainder of the programme.

What would be new for this process?

- Maximising flexibility of scope & delivery

   (not preset or assumed from the LEP, allowing a diversity of options to be proposed from potential providers)
- Maximising agility

   (allowing a call-off approach,
   dependent on availability of funds)
- Maximising the developing pipeline (removing challenging timescales, by offering decisions in principle for bootcamps not likely to start until January etc.)

It would now be up to the training provider to:

- Determine Scope
   (Skills to be developed and course content, therefore ensuring it meets the needs of the employers they are engaged directly with)
- Determine Length (weeks & GLH)
   (Determining whether they are seeking a model of short, sharp for unemployed learners, or longer and less intense to minimise the burden on employers releasing staff etc.)

Determine Scale / Learner

Numbers

(ensuring we are removing barriers for potential training providers, so that the allocation and scale is determined by their appetite and feasibility, and thereby maximising the potential award per provider making it a more attractive offer)

#### Any proposal MUST:

- Meet DfE policy
  - Min 60 GLH
  - Max 16 weeks
  - DfE category and core subject area

New Grant Process: Definitions

**Stage 1**: A training provider has expressed an interest to be a training provider for Skills Bootcamps in Cheshire and Warrington, with specific scope themes highlighted.

Outcome: A decision in principle

**Stage 2**: A training provider has detailed a specific Skills Bootcamp proposal.

Outcome: An allocation decision with subsequent signed grant offer letter

#### New Grant Process: Award Criteria

Stage 1 Award Criteria	
Meets DfE policy	Pass/Fail
Experience of Local Delivery	25%
Employer Engagement	20%
Learner Engagement	20%
Data & Quality	15%
Alignment to Data & LMI	20%
Providers will need a minimum weighted score of 3 to be awarded a decision in principle.	

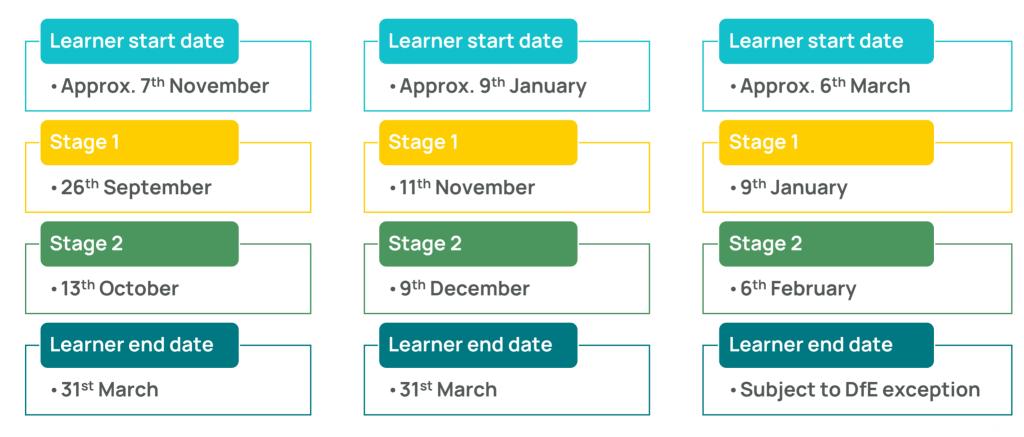

Stage 2 Award Criteria	
Design & delivery of Skills Bootcamp	30%
Employer Evidence	30%
Capacity	25%
Mobilisation	15%
The highest scoring providers will be prioritised for award, and award will	

be subject to available funds.

Timeline Options - Dependent on Mobilisation Speed and therefore Potential Learner Start Dates

The earlier the full Stage 2 submissions are received the more likely the LEP will be able to confirm the allocation and start date, based on availability of funds.
