

Skills Bootcamps Data Analytics

14 Weeks • Fully Online • Career-Boosting Training

Get job-ready for a growing industry

Looking to stand out in a crowded job market? Our Data Analytics Skills Bootcamp is designed to build the in-demand skills UK employers are hiring for - no tech background needed.

Perfect if you're:

- A recent graduate (Level 6 or equivalent)
- Curious about how businesses use data
- Ready to start a new career path in a fast-growing field

Finish with a certificate, practical experience,
and support into real roles like:

- Data Analyst
- Marketing Analyst
- Business Analyst

- ▲ Fully funded if eligible
- No exams – just practical learning
- ◇ Digital certificate included
