

Query Number	Query	Response
1	Please clarify the anticipated level of consultancy input i.e. number of consultancy days per week or total consultancy days across the contract to assist bidders in preparing a consistent pricing submission	We would expect circa 100 consultancy days across the length of the contract.
2	Will Enterprise Cheshire and Warrington make the Clean Energy Skills Regional Action Plan available to prospective bidders? This would help shape the approach to the commission	CESRAP publication is currently awaiting final sign off before publication online. If a potential bidder would like confidential early access to document to assist their bid, please request access from michael.wolffe@cheshireandwarrington.com. To ensure adequate time for review by bidders, we will also be extending the submission deadline to 17:00, Friday 28th August, 2026.
