June 2025

Fork Lift Truck Skills Bootcamp

This is an opportunity for individuals and businesses, working in the Logistics sector, to benefit from Government funding.

*Government
invests*

*£4.5 billion to bolster
economic growth &
support key sectors.
[Jan 2024]*

Purpose and background

This funding has been made available to address the skills shortage in the Logistics sector in both Forklift Truck and Workplace First Aid, creating employment opportunities for anyone who is unemployed, employed, or self-employed.

The funding will enable the training and development within a realistic setting to be completed in order to gain an interview with a suitable employer. (subject to approval)

The suitability criteria are: you are over 19 years of age, and the training will either advance your career or help you get a job with an employer based within Warrington or Cheshire.

*Do you currently live
in Cheshire or wish to
gain employment
here?*

What next?

If you are interested in this potential funding, either as an employer or individual based in Warrington or Cheshire and are looking for employment opportunities within the sector, visit www.jma-training.co.uk/ and complete the contact form.
